SUBDIVISION (Map Revision)

This information is provided as a guide to assist you in the preparation of the application for a **Subdivision Map Revision**. It is also intended to explain the process by which the City analyzes and acts upon the application.

Application Submittal

An application for a Subdivision Map Revision shall be filed by the applicant or property owner on forms prescribed for this purpose. The application shall be submitted to the Planning Department, 1 Plaza (P.O. Box 667), Patterson, CA 95363.

Processing the Application

The processing time for a completed Subdivision Map Revision varies depending on the complexity of the application, environmental documentation required and public noticing requirements. A hearing before the Planning Commission will be scheduled and open to the public. It is recommended that the applicant or their agent attend the hearing to speak on behalf of the application and to answer questions the Planning Commission may have.

Note: If the application is not complete within thirty (30) days of receipt the City of Patterson Community Development Department will deem the application incomplete, request additional information or return the application and application fee(s) to the applicant.

Decisions

After the City Council has rendered a decision, you will receive written communication of this determination, and if approved, any conditions of the approval. If not utilized or acted upon, Planned Development permit will expire two (2) years from the date of the determination. Extensions and modifications to the Planned Development permit are subject to specific qualifications as stated per Patterson Municipal Code 18.14.090.

likely to cause substantial environmental damage or substantially and avoidable injure fish or wildlife or their habitat;

- F. That the design of the subdivision or type of improvements are not likely to cause serious public health problems;
- G. That the design of the subdivision or the type of improvements will not conflict with easements, acquired by the public at large, for access through or use of property within the proposed subdivision.
- H. That the design of the subdivision will provide, to the extent feasible, for future passive or natural heating or cooling opportunities.

Application Submittal

ACCOMPANYING MATERIALS REQUIRED: This application must be accompanied by the following (unless waived in writing by the Community Development Director):

- 15 copies of the proposed tentative map revision drawn to scale (**one copy to be 8½ x 11 reproducible**);
- A statement that the tentative map revision is consistent with the current zoning of the land, and that all discretionary land use approvals, including but not limited to general plan amendments, zoning changes, and conditional use permits, have been obtained;
- A tentative utility plan indicating the location of all public utilities and facilities including, but not limited to, facilities for water, sewer, electric, gas, cable television, and street lighting to be installed to serve the subdivision and any facilities which currently exist within the boundaries of the subdivision, if required for the revision;
- A written legal description of the subject area;
- An engineer's report regarding the proposed grading, if required for the revision;
- Any other studies required because of peculiarities of the subdivision;
- Proof of owner's interest in the property (copy of deed, tax bill, etc...);
- A written statement of why the proposed revision will meet the required findings;

- Title report (if applicable);
- Location map;
- A written report which provides the information necessary to explain the physical development proposed if the subdivision is approved, if required for the revision;
- Other such information / attachments as may be required by the Community Development Director.
- \$1,020 Tentative Subdivision Map Revision fee (additional fees including, but not limited to, engineering and environmental may be required during processing of your application).**
 - Applicant may be required to contract for traffic and/or other impact studies, as determined by the City. Applicant to pay engineer's invoiced costs, including map check and Certificate of Compliance.

Note: Should your project require an environmental review, the applicant is responsible for the environmental filing fees (effective 1-1-2016) as follows:

- Negative Declaration (ND) or Mitigated Negative Declaration (MND)* \$2210.25
 - Environmental Impact Report (EIR)* \$3070.00
 - Environmental Document Pursuant to a Certified Regulatory Program* \$1043.75
 - County Clerk Processing Fee \$57.00
- (*Department of Fish and Game Fees)

Note: At least one copy of all the submittals must be provided as an 8.5 x 11" or 11" x 17" reproducible copy.

Additional information may be required by the Community Development Director during review of your application. Environmental assessment is required for all projects. If your project is not categorically exempt, environmental documents will be prepared and filed at the applicants cost.

The Subdivision Map Act provides fifty (50) days for review of tentative maps, beginning at the time the application is deemed complete and accepted as such. By signing this application, the owner/applicant agrees to extend the above processing time, if required by the City, in order to properly consider and process the subdivision application.
