

NEW LEAF PICKUP PROGRAM SCHEDULE 2018-2019

The City of Patterson's Leaf Pickup Program is scheduled to begin on Monday, November 12, 2018 and continue through January 28, 2019 (the program's approximate starting and ending dates may change depending on how the leaves fall).

The City is divided into (5) five zones. Leaves are collected weekly according those scheduled routes. The City's street sweeper will be sweeping streets in conjunction with the leaf pick-up. **In order to keep the roads clean and gutters free and clear for good drainage, PLEASE maximize the use of your 90 gallon green toter.** When it becomes full, rake leaves into a pile and place them 5 feet away from the curb. Please do not place tree limbs in leaf piles. To help avoid delays and for adequate leaf pickup, please do not park vehicles on street during your scheduled pickup day. This will help insure easy access for the leaf collection equipment and street sweeper. A schedule for the Leaf Pickup Program can be found on the City's website, under Public Works or in the City Hall lobby.

Route 1	Monday	Route 4	Thursday
Route 2	Tuesday	Route 5	Friday
Route 3	Wednesday		

If you have any questions regarding this map or the routes shown, please call Public Works at (209) 895-8060 or email publicworks@ci.patterson.ca.us.
