MASTER PLAN

This information is provided as a guide to assist you in the preparation of the application for a **Master Plan**. It is also intended to explain the process by which the City analyzes and acts upon the application.

What is a Master Plan?

The purpose of a Master Plan is to allow for the coordinated comprehensive planning of a subarea of the City in order to protect a unique environmental, historical, architectural or other significant area and provide flexibility for developments beyond conventional zoning regulations.

Application Submittal

An application for a Master Plan shall be filed by the property owner or their representative/agent on forms prescribed for this purpose. The application shall be submitted to the Planning Department, 1 Plaza (P.O. Box 667), Patterson, CA 95363.

Processing the Application

The processing time for a completed application for a Master Plan varies depending on the complexity of the application, any required environmental documentation and public noticing requirements. A hearing before the Planning Commission will be scheduled and open to the public. It is recommended that the applicant or their agent attend the hearing to speak on behalf of the application and to answer questions the Planning Commission may have. Planning staff will prepare a staff report to the Planning Commission. The staff report contains an analysis of the application and a recommendation for action by the Planning Commission.

Note: If the application is not complete within thirty (30) days of receipt the City of Patterson Planning Department will deem the application incomplete, request additional information or return the application and application fee(s) to the applicant.

Procedure

Master Plan Review:

1. Pre-Application Conference with Planning Department Staff (Optional).
2. Submit Application.
3. Staff Review Application for Completeness.
4. Staff Evaluation of Application.
5. Staff Produces Staff Report and Recommendations.
6. Public Notice sent to the newspaper and surrounding properties at least 10 days in advance of the Planning Commission Hearing.
7. Planning Commission Meeting.
8. After meeting:
 - a. If Approved: Application is valid 10 business days after Planning Commission meeting, unless an aggrieved party appeals the Planning Commission decision to the City Council.
 - b. If Denied: Petitioner can appeal the decision of the Planning Commission to the City Council.

Decisions and Appeal Process

After the Planning Commission has rendered a decision, you will receive written communication of this determination, and if approved, any conditions of the approval. Any interested party, aggrieved by the determination of the Planning Commission, may appeal this decision to the City Council, within ten (10) business days after such date of determination.

Approval of the application is not in effect until the appeal period has expired, or any appeal filed has been acted upon by the City Council. Appeals must be made in written form, addressed to the City Council and accompanied by the required fee of \$605.00.

Building Permits

Application for a Master Plan does not constitute an application for a building permit. Separate building permit applications are required prior to any construction. Building permits shall not be issued until the appeal period has expired or any appeals filed have been acted upon by the City Council.

Environmental Information Form

This information is provided as a guide to assist you in the preparation of the **Environmental Information Form**. It is also intended to explain the process by which the City analyzes and acts upon the form.

The State of California requires that most development projects submitted to the City of Patterson undergo some level of review under the California Environmental Quality Act (CEQA). CEQA is a state law that requires an analysis and public report on the potential environmental effects of any project that is carried out or approved by the City. The Environmental Information Form is used to determine whether a project needs to be reviewed under the CEQA regulations. The City of Patterson is responsible for reviewing the project to determine whether it is exempt from CEQA review.

If CEQA review is required, three types of reports are typically prepared for projects: 1) CEQA Exemption, 2) a Negative Declaration, or 3) an Environmental Impact Report. A majority of projects are either Exempt or Negative Declarations. Planning Staff will let you know what type of documentation is required based upon the type of project that is being proposed, the characteristics of the property, and other factors that are spelled out in State CEQA regulations.

Application Submittal

The Environmental Information Form shall be filed by the property owner or their representative agent on forms prescribed for this purpose. The application shall be submitted to the Planning Department, 1 Plaza (P.O. Box 667), Patterson, CA 95363.

Additional information may be required by the Planning Director during the review of the application.
