## GENERAL PLAN AMENDMENT

This information is provided as a guide to assist you in the preparation of the application for a **General Plan Amendment**. It is also intended to explain the process by which the City analyzes and acts upon the application.

### What is a General Plan Amendment?

The purpose of a General Plan Amendment is to allow for the amendment of the general plan, a comprehensive and long-term plan for the physical development of the area under the City's jurisdiction.

### Application Submittal

An application for a shall be filed by the property owner or their representative/agent on forms prescribed for this purpose. The application shall be submitted to the Planning Department, 1 Plaza (P.O. Box 667), Patterson, CA 95363.

### Processing the Application

The processing time for a completed application for a General Plan Amendment varies from one to three months depending on the complexity of the application, any required environmental documentation and public noticing requirements. A hearing before the Planning Commission will be scheduled and open to the public. It is recommended that the applicant or their agent attend the hearing to speak on behalf of the application and to answer questions the Planning Commission may have. Planning staff will prepare a staff report to the Planning Commission. The staff report contains an analysis of the application and a recommendation for action by the Planning Commission and recommendation to the City Council.

**Note:** If the application is not complete within thirty (30) days of receipt the City of Patterson Planning Department will deem the application incomplete, request additional information or return the application and application fee(s) to the applicant.

## Environmental Information Form

This information is provided as a guide to assist you in the preparation of the **Environmental Information Form**. It is also intended to explain the process by which the City analyzes and acts upon the form.

The State of California requires that most development projects submitted to the City of Patterson undergo some level of review under the California Environmental Quality Act (CEQA). CEQA is a state law that requires an analysis and public report on the potential environmental effects of any project that is carried out or approved by the City. The Environmental Information Form is used to determine whether a project needs to be reviewed under the CEQA regulations. The City of Patterson is responsible for reviewing the project to determine whether it is exempt from CEQA review.

If CEQA review is required, three types of reports are typically prepared for projects: 1) CEQA Exemption, 2) a Negative Declaration, or 3) an Environmental Impact Report. A majority of projects are either Exempt or Negative Declarations. Planning Staff will let you know what type of documentation is required based upon the type of project that is being proposed, the characteristics of the property, and other factors that are spelled out in State CEQA regulations.

### Application Submittal

The Environmental Information Form shall be filed by the property owner or their representative agent on forms prescribed for this purpose. The application shall be submitted to the Planning Department, 1 Plaza (P.O. Box 667), Patterson, CA 95363.

Additional information may be required by the Planning Director during the review of the application.
